WHAT'S THE COST?

WECHS is a non-profit organization completely run by volunteers.

We rely on donations to cover the annual operating budget.

Our budget includes:

1. Ice time
2. Insurance
3. Society registration fees

Neighbourhood parents donate their time on the Society Board of Directors and on the ice to ensure that all children have the opportunity to experience the fun of hockey, regardless of skill level or income.

Receipts will be issued for annual donations, eligible for the Child Fitness Tax Credit.

Suggested donation to cover the cost of over 40 ice times between October and March is
\$200 per child,
but any amount helps.

If you can't commit to coming 2 times per week, no problem, come when you can and pay what you can
